## Lease Amending Agreement

ACCOUNT # 28210-08

This Agreement relates to your Lease Agreement dated 17-Feb-24 (the "Lease") that was assigned to Nissan Canada Finance ("NCF") for the vehicle with Vehicle Identification Number JN8BT3BB5PW216311.

In this Agreement, the words "you" and "your" refer to the Lessee and Co-Lessee, if any, signing below.

Your lease will be extended for a total of 12 month(s). By signing below, you agree to make one additional monthly payment of \$ 487.60 for each month the Lease is extended, for a total amount payable under this extension of \$ 5,851.20.

Your monthly payment(s) are calculated in the same manner and will be due on the same date of the month as your original monthly payments under the Lease.

As a result of this extension, the total amount payable by you under your Lease will increase to \$ 17,553.60 plus any excess kilometer charges, and the residual value of the vehicle at the end of the extension will be \$ 24,560.38.

The document filing fee for this extension is \$ 0.00.

At the end of the extension period, you will owe NCF any excess kilometers or abnormal wear and tear charges as provided in the Lease, plus amounts due under your Lease for unpaid fees and taxes or because you have broken any of the agreements in your Lease.

The excess kilometer charge, if any, will be based on the kilometer limit in your Lease plus 1,333 kilometres times the number of months the Lease is actually extended by this Agreement.

Any Optional Credit Life or Optional Credit Disability Insurance and any Optional Extended Warranty/Service Agreement or any other service that may have been included in your Lease will not be extended by this Agreement. NCF assumes no responsibility for these coverages or services.

This Agreement constitutes an amendment to your Lease. All other terms and conditions of your Lease will remain in effect through the extension period. Once document is signed and returned, your Lease maturity date will change from 17-Feb-2026 to 17-Feb-2027.
